ACADEMIC WING

FROM CLASSROOM to FACTORY

Bridging Education
with Real-World Experiences

GETTING CLOSER TO NATURE

Students of Grade 3 to 5 visited the **Insect Museum** in July to enrich their learning experience. They explored and learnt about the fascinating world of insects and were able to observe a diverse range of insects, from butterflies and bees to beetles and ants. Our young learners learnt the significance of bio-diversity which ignited their curiosity and critical thinking.

VISIT TO AAVIN MILK FACTORY

Industrial visit for Grade 6 to 9 was organised in the month of July to enhance the learning experience of our students beyond the classroom. The visit aimed to give them a practical understanding of the various stages involved in milk processing, packaging, distribution, and see a large industrial set up.

COOKING WITHOUT FIRE

UKG students showcased their culinary skills in a '**Cooking Without Fire**' activity, crafting healthy delights like salads, sandwiches, and milkshakes. The event aimed to encourage healthy relationship with food, develop team work and independence.

ACADEMIC WING

STUDENT COUNCIL ELECTION

Student Council Election saw enthusiastic participation from students across Grade 6 to 12, either as a candidate or as a voter. The casting of votes was done digitally in the month of June, for various positions including SPL (School Pupil Leader), ASPL (Assistant School Pupil Leader) & CL (Class Leader).

We are proud of their commitment and involvement. It is through such experiences that they gain a deeper understanding of democracy and civic responsibility and exercise their leadership skills.

SOCIAL NEXUS

CYCLER

We were happy to welcome **Ankit Dutta**, 21-year-old passionate Cyclist and Traveller from Sainthia, West Bengal. He embarked on an extraordinary journey travelling 2600 kms across India, making a gracious stop at our school in the month of July on his way to the Isha Yoga Centre. He shared insights about the **"SAVE SOIL"** movement aimed at highlighting better soil health.

PARENTING SESSION

An enriching session was presented in the month of September by **Mr. Krishna & Ms. Chellam** on Parenting! The session was filled with valuable insights and learnings, leaving parents inspired and equipped with new ideas.

WELL BEING SESSION

As part of our Wellbeing Initiative, three renowned speakers were invited to our school in the month of July. They spoke about Impacts of Drug Addiction, Cybercrimes & How to remain focused in life.

Dr. Malathi focused on navigating adolescence challenges, encouraging open communication and choosing the right friends during crises. **Dr. Jaikumar** delved into the influence of social media, highlighting safety measures through government apps, and real-life victims shared their cautionary insights. The session concluded with **Dr. Kanagaraj's** motivational talk, weaving in William Hayley's "Invictus Poem" and emphasizing five key competitive skill sets for future leaders, along with a practical technique for mindful goal achievement.

No EMISSION DAY RALLY

Students actively engaged in the Zero Emission Day rally in the month of September. On behalf of the District Collector, they solemnly took an oath, for sustainable practices, at the District Collector's Office.

CELEBRATIONS

KAMARAJAR DAY CELEBRATION

Commemorating a visionary leader's life and values, students engaged in inspiring speeches, culture showcases, essays, art, elocution, and debates during this educational celebration in the month of July.

INTERNATIONAL DAY OF YOGA

Students participated in sessions where they learned and practised various asanas & breathing techniques on the occasion of International Yoga Day.

INDEPENDENCE DAY CELEBRATION

The spirit of patriotism and unity illuminated our campus as we came together to celebrate the essence of freedom. We proudly raised the tricolor flag, symbolizing the values of our nation and our commitment to its growth.

Students mesmerised the audience with performances that reflect the rich cultural diversity of India.

COLOUR DAY CELEBRATION

Enthusiasm filled our Kindergarten classes as we celebrated "Red Day" in the month of July and "Green Day" in the month of August! Creative themed art and craft activities allowed students to showcase their artistic talents. Students enjoyed eating delicious color based treats, snacks, and refreshments during the day.

CELEBRATIONS

GRAND PARENT'S DAY

In September Grandparents Day was marked by joyous laughter, playful games, heartwarming performances by our students, and the creation of lasting memories.

This day truly became an unforgettable celebration of the love that transcends generations and the enduring bonds of family.

NAVARATRI CELEBRATION

Navaratri celebration was a vibrant and culturally enriching experience. It featured traditional prayers and pooja ceremonies, rangoli decorations, lively dance and singing performances by our students, staff wearing traditional attire with different colors for each day, delightful Indian snacks, and an aarti for Goddess Durga. Students also participated in activities, deepening their understanding of Navaratri's cultural and religious significance. It was a wonderful blend of tradition and festivity.

TEACHER'S DAY CELEBRATION

Dr. Sarvepalli Radhakrishnan's birthday is celebrated on September 5. This day is celebrated as Teacher's Day in India to honor his contributions to education and his role as the second President of India.

KRISHNA JAYANTHI CELEBRATION

Children dressed up as adorable Krishna and Radha and performed a lovely dance to celebrate Krishna Jayanthi.

HALL OF FAME

With immense pride, we are delighted to announce that our Headmaster, **Dr.R.Thirugnanasambandam** has been honoured with the prestigious **Dr. Radha Krishna Award** by the State Government.

With the wealth of 37 years of experience in the field of education and over a decade of leadership, his contribution to our school and education has been remarkable. He has been a source of inspiration, to students and to the entire teaching community, setting high standards for excellence.

EMPOWERING STUDENTS WITH TOILET ETIQUETTE A STEP TOWARDS SWACHH BHARAT

In our ongoing commitment to holistic education, we took the opportunity to educate our students about the importance of toilet etiquette, aligning with the Swachh Bharat initiative. Our focus extends beyond the classroom to instill values of respect and responsibility in every aspect of their lives. Explaining toilet etiquette to students in school is an important part of their education in personal hygiene. Our newly renovated washrooms include Modern Design, Accessibility, Hygiene Upgrades, Improved Ventilation, and Enhanced Cleanliness.

UNSEEN PERILS THE MICROPLASTICS MENACE

Microplastics, as the name implies, are tiny plastic particles that result from both commercial product development and the breakdown of larger plastics. As a pollutant, microplastics can be harmful to the environment and animal health. They are defined as plastics less than five millimeters (0.2 inches) in diameter smaller in diameter than the standard pearl used in jewellery.

**"Ready to be a microplastic warrior?
Follow these steps!"**

- Reduce Single-Use Plastics
- Participate in Cleanups
- Educate Yourself and Others
- Promote Recycling and Proper Disposal
- Choose Eco-Friendly products
